COLUMBIA COUNTY HISTORICAL SOCIETY

CCHS UPDATE 2021

PRESIDENT'S LETTER

Dear Members and Friends of the CCHS,

Despite complications facing us during the continuance of the pandemic, we have been able to continue our mission.

Currently we look forward to renewing our winter lecture series via Zoom, giving guided tours by advance appointments to several new exhibits in our museum galleries and the James Vanderpoel House, preparing our next issue of our magazine to be devoted to Columbia County in celebration of the forthcoming 250th anniversary of the American Revolution, while we are completing our second season of Drive Through History self-guided road trips.

For the second consecutive year we experienced a significant increase in new memberships.

A number of cultural grants have been awarded to us during 2021 from Humanities New York, Hudson River Bank & Trust Foundation, and the National Society of the Daughters of the American Revolution.

We are hopeful the day will soon come when we can open our historic properties on a normal basis and see our members, visitors and friends in person! Thank you for your support.

Robert Peduzzi President, Board of Trustees

EARLY HERITAGE OF COLUMBIA COUNTY PERMANENT EXHIBIT

This November saw the installation of a new permanent outdoor exhibit at our Rural Properties consisting of eight narrative panels which can be viewed year-round from dawn to dusk.

CCHS staff researched and developed the panels, which explore facets of the County's diverse history, including: early Dutch settlers, colonial Dutch architecture, rural education, the literary legacy of Washington Irving in Kinderhook, and a 1952 radio broadcast by Eleanor Roosevelt at the Ichabod Crane Schoolhouse. For a panel on the Indigenous peoples of the area, we partnered with Heather Bruegl of the Stockbridge-Munsee Band of Mohican Indians.

The exhibit was made possible by grants from Dutch Culture USA | The Embassy of the Netherlands in New York, Hudson River Bank & Trust Foundation, Humanities New York, County of Columbia, and Hudson River Valley Greenway.

VANDERPOEL HOUSE **RESTORATIONS UPDATE**

We are pleased to announce that exterior weatherization updates to the James Vanderpoel 'House of History' are complete! This essential project, funded by a 2019 grant from the Gerry Charitable Trust, included repair of damaged window sills, repainting of exterior windows, and restoration of 16 wooden shutters by Preservation Carpentry students at Columbia-Greene Community College.

BELATED VANDERPOEL BIRTHDAY FÊTE

On a steamy August evening, we welcomed guests onto the rear lawn of the James Vanderpoel 'House of History' for our annual First Columbians fundraiser, belatedly celebrating 200 years of the Federal-era landmark after our 2020 gala was put on hold due to the pandemic. With live jazz to set the scene, we marked the occasion with hors *dœuvres*, artisanal spirits, and a decadent offering of birthday cupcakes!
